(10x1p=10p)

Lucy lives in a small town near the mountains. It is a very friendly and beautiful place. There are many trees and flowers everywhere. The streets are clean, and there are not many buses or cars.

Lucy lives in a yellow house with her parents and her little brother. Their house has a small garden with red and pink flowers. Behind the house, there is a big apple tree. Lucy likes sitting there and reading books in the afternoon.

Her school is very close to her home, so she walks there every morning with her best friend, Emma. The school has a large playground where children can play basketball, skip rope and run during breaks.

In the centre of the town, there is a bakery, a toy shop and a small library. Lucy loves going to the library because she enjoys reading adventure stories. Next to the library, there is a café where her parents sometimes drink hot chocolate on cold days.

At weekends, Lucy and her family often go to the lake outside the town. They ride their bikes, feed the ducks and have picnics there. Lucy thinks her town is the perfect place to live because it is quiet, safe and full of friendly people.
